4 C. Reading Comprehension: Passage (1)

Read the following passage and answer the questions as required.

Leonardo wondered if he could invent and make a flying machine. He thought of flying when he had seen birds flying in cages. After buying some of them, he watched them carefully and made drawing of their wings. He watched the birds fly when he let them fly away. He started to build a flying machine with wings which moved up and down like the bird's wings.

He made two different flying machines one by one. The first machine made of wood was too heavy to fly. However, he didn't feel disappointed. He made the second one which was lighter and had bigger wings. Again it didn't fly, and it fell off and there was a bad accident and Leonardo decided not to fly again. Now we know him mostly for his beautiful paintings, not for his flying machines.

Passage (2)

Read the following passage and answer the questions as required.

There are five billion people in the world and they live in all different corners of it. They live on the snow and ice and also in the tropical jungles. They have climbed the highest mountains, walked on the seabed, and even visited the moon.

Man is more than other animals in number and also the most powerful of all of them on the earth. However, in many ways, animals can do things better than we can. Some of them can smell, hear, and see better than us. Birds can fly thousands of miles away and return to the same place every year. However, there is one thing above all that makes people and animals different. People love to talk – talk – talk. We are great talkers. We can send messages through time. We have an understanding of past and future, not just present.

43. Human beings and animals are mainly different because humans can

- 1) do everything better than animals
- 2) live in very cold and very hot places
- 3) fly to very high and far places
- 4) send messages in different ways

44. To be able to "send message through time" means to have the ability to

- 1) talk about past, present and future
- 2) speak to both humans and animals
- 3) speak about time
- 4) talk about different messages

45. The word "them" in line 4 refers to

- 1) many ways
- 2) human beings and animals
- 3) corners of the Earth
- 4) animals in the world

46. Some animals are better than human beings in

- 1) finding good ways for talking
- 2) living on the earth
- 3) using their noses, ears, and eyes
- 4) flying to distant places
